

SUUF Visual Voices Gallery ARTIST APPLICATION

Please complete this form and return it to Salina Unitarian Universalist Fellowship, along with at least three images of your artwork, which can be photos sent by mail or digital images sent by e-mail or on a disc (materials will not be returned). Once the completed application is reviewed, the gallery committee will contact you by email. If selected to display, details for your show will be determined and a date can be arranged for you to see the display space, if desired.

Along with the exhibition space, SUUF will sponsor an opening or closing reception and promote the show with a press release to local and regional media outlets. SUUF requests a 10% commission on all work sold from the show at Visual Voices gallery. In addition, SUUF would like to hear more about your work, and so you are invited (but not required) to present all or part of a regular Sunday morning service at a date to be agreed upon by you and SUUF's program committee.
